Chesapeake Antique Boat & Marine Engine Show

Dear Exhibitor,

This year, the organizers are considering adding an event to the Sunday schedule. Saturday will be a busy day, but Sunday is devoted to exhibitors and their guests, so two options are proposed:

- ❑ Visit historic Sotterley Plantation, an 18th century tidewater tobacco plantation on the banks of the Patuxent River. Sunday 12 – 2 pm. Cost \$8 adults, \$7 seniors and \$5 ages 6-12. Limit 13
- ❑ “Using the Internet to Buy/Sell Engines and Parts” - a roundtable discussion at the museum, Sunday 11 – 12 am.

Please check if either of these options is of interest and return with your registration. We will let you know of the response in our acknowledgment.

Thanks
